RULES:

Please follow these rules of play so we can have some consistency throughout the league.

- 2 halves- 16 minute running clock. The clock will stop in the last minute of each half.
- Overtime will be 4 minutes- with a running clock except for the last minute.
- Coaching box will not be used.
- **Please emphasize sportsmanship**, unruly players will be removed from the league.
- All other WIAA rules apply

REQUIREMENTS:

Host schools will be required to supply the following:

- 2 or 3 refs- 3 refs works well and reduces running for the referees.
- A clock keeper
- Bookkeepers

****Please make every effort to contact the host school if you will not be able to attend. Contact the host schools with any changes to your schedules. I do not want to be called to make adjustments for a school that is not playing at Royall. Thanks a lot guys.**
