

# Beyond the Bell at North Crawford

## Daily Activities

| <i>Grades 4K-K-1-2</i> | <i>Grades 3-4-5</i> |
|------------------------|---------------------|
| Homework Help Time     | Homework Help Time  |
| Snack                  | Snack               |
| Academic Session       | Academic Session    |
| Recess                 | Recess              |

### Weekly Academic Sessions:

Math Monday: Academic remediation and enrichment based on Math Themes correlated with school curriculum. Activities may include math games, cooperative exploration of math topics, and practice with basic facts or other math related academics.

Reading Tuesday: Literacy based program. Academic activities may include reader's theatre (plays), story sharing with a friend, spelling games, or other reading focused learning.

Workout Wednesday: Activities on this day will include a physical education component. Games, scavenger hunt, hike, health/wellness education or other physical activity will be planned.

Twisted Thursday: Activities will vary on this day. Topics may include art & crafts, technology, music, science, social studies or friendship/team building.
